SUMMARY

I am seeking to improve myself every day in these fields of work, in order to offer a variety of services regarding Websites, nice edited Videos, and Graphics. Thus, a company will be provided with a nice and detailed outlook. I have the skills to create what a business company needs to be attractive to the public and customers.

EXPERIENCE

FRONT END DEVELOPER INTERNSHIP, Web Developer

01/2021 - 05/2021

Responsible for implementing visual elements that users see and interact with in a web application. Usually supported by back-end web developers, who are responsible for server-side application logic and integration of the work front-end developers do. Using technologies such as, HTML, CSS, Javascript, MVC 5, SQL.

FREELANCE FRONT END DEVELOPER, Web Developer

05/2020 - 08/2020

Assist in defining, automating, and executing development tests in support of the feature/functionality being developed. Developed, implemented, documented, and test applications for the website. Develop and optimize front-end UI functionality to ensure web applications are rendered consistently in a cross-browser environment.

FREELANCE GRAPHIC DESIGNER, Graphic Designer

01/2015 – 08/2017

Freelance Graphic Designer is networking, seeking projects, negotiating fees, discussing requirements, developing new ideas, presenting solutions to clients, and ensuring projects are completed in time. The most successful example resumes for this role emphasize creativity, self-motivation, specialized software expertise, attention to detail, deadline orientation, and good communication skills.

SKILLS
